About Somaiya Vidyavihar

Padma Bhushan Karamshi Jethabhai Somaiya founded Somaiya Vidyavihar an education trust in 1959, to provide quality holistic education. It was founded on the belief that, education is an important pillar of nation building with the power to change lives, and that it is the duty of the privileged to help provide it to whoever aspires to be educated.

Somaiya Vidyavihar encompasses 34 institutions, with more than 39,000 students and 1,500 faculty. Its educational institutes are spread across two main campuses - a 50 acre complex in Vidyavihar and a 28 acre complex in Sion both located in the heart of Mumbai besides a number of smaller campuses across rural Maharashtra, Karnataka and Gujarat. Currently we offer Degree, Diploma & Certificate courses at Undergraduate, Post Graduate and Doctoral levels. Somaiya Vidyavihar also runs a few autonomous Post-Graduate Courses, Vocational Training Courses and Schools.

Somaiya Vidyavihar fosters an ecosystem that excels in education, research and service, a place where knowledge is preserved, disseminated and new knowledge is created. It is known as much for its Science, Technology, Medicine, Engineering, Management, Social Sciences and Commerce programs, as for its programs for academic studies in various Faiths and Cultures of India.

Shri. K. J. Somaiya guided Somaiya Vidyavihar until 1999, his son Dr. S. K. Somaiya was at the helm of affairs till 2010. Today Shri. Samir Somaiya, a Cornel University and Harvard Business School alumnus is the President.

Our motto ज्ञानादेव तु कैवल्यम् | Knowledge alone liberates remains the bedrock, as we strive to expand and continuously innovate our education.

Padma Bhushan Shri K J Somaiya

Padma Bhushan Shri Karamshi Jethabhai Somaiya, entrepreneur, philanthropist and a visionary established Somaiya Vidyavihar in the year 1959

A self-made man, wealthy yet simple, humble and compassionate, he dedicated his life to the service of mankind. He was committed to the ideal of “what you receive from society, give back in multifold”

He had the vision and the grit to achieve his dreams with a single minded purpose. He firmly believed that modern education had to have its roots in strong values. Recognising the needs for imparting value based education to today’s youth, he founded Somaiya Vidyavihar

Our Collective Vision

Our Founder, Padma Bhushan Shri K. J. Somaiya founded Somaiya Vidyavihar on the 9th of September 1959. He later founded the Girivanvasi Pragati Mandal, The K. J. Somaiya Medical Trust, Girivanvasi Education Trust and sister institutions to make great citizens of India and the World. In the words of Swami Vivekananda, "We want that education by which character is formed, the strength of mind is increased, the intellect expanded, and by which one can stand on one's own feet." We have now grown into a multi-disciplinary and multi-campus education institution with over 1500 faculty, and 39,000 students.

Our motto is ज्ञानादेव तु कैवल्यम् । Knowledge alone liberates. Liberates from poverty, from hunger. Also to liberate one from the attachments that bind us to small-mindedness. Knowledge also provides opportunity. To make the life lived more meaningful. In the service of one's family, one's community, one's समाज, country, and indeed the world. Bearing in mind that there is no religion other than the life lived in the service of humanity, न मानुषात् परो धर्मः। We will strive to provide access and opportunity to build a more inclusive society.

Our education in any subject will reflect its timeless fundamentals, its current context, and applications. There is so much scientific discovery taking place, at the intersection of fields, of biology, computing, medicine, the social sciences and everywhere else. We will provide students and faculty with an environment to engage this world, to discover new truths, make new applications to create and share knowledge.

Our education will also be experiential. With projects that are 'real' and those that complement the learning inside the classroom. Our students and faculty will be at the cutting edge of change, to incubate companies, to create NGOs, and pursue any field of their passion.

Our education will also be holistic. Sports and physical exercise must be a firm part of the curriculum. For students to develop a love for sports, for recreation, for health, for teamwork, for competition. Our education will also instill an appreciation for art and culture.

In the Bhagavad Gita, Arjun asks Krishna how is one to control one's mind that is as fleeting as the wind. Krishna responds that it can only be done through practice and discipline. वैराग्येण तु कौन्तेय अभ्यासेन च गृह्यते । We will strive to teach our students to learn to stay calm in our turbulent world.

And our education will also include the ancient Indian tradition, its culture, its depth, and its knowledge. We must keep the connection with our mother tongue and our languages. Languages are storehouses of culture, and the loss of a language takes with it much learning, stored through it over the ages.

Finally, our education will help students lead a full life, to fall in love with life.

Our dream, is to build a world class research and teaching institution, that is global in the reach of its ideas, and universal in its service. Welcome to our community.

Samir Somaiya
President Somaiya Vidyavihar,
Chairman Somaiya Trust

Message from Provost

I take great pleasure in welcoming the bright young boys and girls to the K J Somaiya Private Industrial Training Institute, for skill development leading to gainful employment in industry.

Established in 1988, our Industrial Training Institute is one of the most prominent centre in the State of Maharashtra. Basic Skill and Entrepreneurial Development addressing the changing needs of the industry is the thrust of our institute. It is gratifying to note that 100% employment is successively achieved by us in all job sectors. The state-of-the-art machinery, training equipment, up-to-date syllabus and training materials, experienced teachers and trainers and above all a vibrant green campus atmosphere are our strengths.

The presence of polytechnic, engineering college, Science and Technology institutions and start-up ventures in the same campus add further to the opportunities for the students. Industry collaboration, participation in the National and State Level Skill Development Missions open wide opportunities for the students.

I wish the institution all success.

Prof. V.N. Rajasekharan Pillai
Provost,
Somaiya Vidyavihar

From the Principal's desk

Since its establishment in 1988, the K J Somaiya Private Industrial Training Institute has been one of the premier institutes, catalysing the skills landscape in India. It makes us very proud to say that we have provided industry-relevant skill training to over 5000 youth, enabling them in securing a better livelihood and a better chance to support themselves as well as their families.

The institute is located in the heart of Mumbai within a 50 acre, lush green campus of Somaiya Vidyavihar in Vidyavihar East. The laboratories and workshops are well equipped with the latest user friendly tools, equipment and machinery. The faculty are well qualified & highly motivated to impart the best training techniques. Wide range of books and other study materials are available in the library for our students.

The institute supports and has been continuously working towards fulfilling the mission of Ministry of Skill Development and Entrepreneurship, Govt of India. Not only our courses are very exhaustive and cover all the basic skills required for good placements, our students are provided special placement assistance and training in soft skills, entrepreneurship, financial and digital literacy. Many of alumni serve as role models to our current students and their success stories of are shared on a regular basis to motivate them.

I am happy to be a part of the training institute started by our beloved founder Padma Bhushan Shriman K. J. Somaiya ji.

Shri Shaji Mathew
Principal
K J Somaiya Private Industrial Training Institute

Mission and Vision

Vision

To keep pace with the technological demands of industry and expanding universe of knowledge. To produce skilled manpower at international level.

Mission

Employment generation for student having average intellectual level.
To develop an Entrepreneur society.

Core Values

Transparency.

Equality.

Efficiency.

Quality & Excellence.

About
K J Somaiya Private Industrial Training Institute

K. J. Somaiya Vocational Training Institute, now called the as K. J. Somaiya Private Industrial Training Institute was established in 1988 to provide skill-based education and training to underprivileged students. Today we offer NCVT Affiliated and Autonomous Certificate Courses in trades like Plumbing, Welding, Electricals and Electronics, Computer Hardware and Network amongst others. A few years ago, vocational courses were thought to be for people who did nothave the aptitude to study in a college and thus, needed skills in a particular field, to gain employment. This scenario, however, has completely changed today. These days, people have realized their importance and are opting for such courses, both online and offline, to gain skills related to a particular field so that their job prospects can improve.

K. J. Somaiya Private Industrial Training Institute started with a batch of 20 students and one autonomous program in the space of 150 square meters. Since then it has grown to a much larger institute housed in its own building measuring 1107 square meters and offering sevencourses to more than 300 students.

Our students are trained in the different disciplines by trained and highly motivated teachers. Training periods range from six months to two years which includes both classroom lectures and hands on practical training in well-equipped laboratories. With the step by step instructions and actual hands-on experience received, our students develop the ability to work independently and can be placed for employment immediately after completion of training program.

To make sure that the students soar high during their placements, we pay a lot of attention to the pre-placement talks and sessions which are focused on motivating the students to get the best out of their capabilities.

Not only this, we also promote entrepreneurship and self-starting environment to the students and always motivate them towards innovation and development. The achievements of our alumni having made their mark in all walks of life are a testament of our commitment to the vision and mission of the Institute. We keep track of achievements of our alumni and share their success stories with our existing students.

Special Features

- ✦ Quality education at an affordable cost
- ✦ Qualified and Experienced Faculty
- ✦ Courses based upon real projects
- ✦ Hands on experience through AMCs
- ✦ Job oriented training programs
- ✦ Placement assistance to students
- ✦ Excellent placements records
- ✦ Career consulting & guidance
- ✦ Scholarship for bright students
- ✦ Accommodation available for outstation candidates

NCVT Affiliated Courses

Sr No	Course	Duration	Eligibility	Seats
1	Electrician	2 Years	SSC Pass	40
2	Electronics Mechanic	2 Years	SSC Pass	48
3	Refrigeration & Air-conditioning Technician	2 Years	SSC Pass	24
4	Plumber	1 Year	SSC Pass/Fail	24
5	Welder	1 Year	SSC Pass/Fail	20
6	Welder-DST	1 Year	SSC Pass/Fail	20

Autonomous Courses

Sr No	Course	Duration	Eligibility
1	Certificate Course in Computer Hardware & Networking	1 Year	SSC Pass/Fail
2	Certificate Course in Domestic & Industrial Electronics	1 Year	SSC Pass/Fail

Admission Process

- For Govt. approved (NCVT) courses (Electrician, Welder, Plumber, Electronics, Mechanic), need to apply through online admission process on DVET portal http://admission.dvet.gov.in

- For management quota (20%) admission:-
  Need to submit application form at institute level before govt. admission process. Admission on 'first come first service basis' with minimum marks required condition.

- For Autonomous Courses: - **CCDIE** (Certificate Course in Domestic Industrial Electronics), **CCMST** (Certificate course in Multi skill technician) & **CCCHN** (Certificate Course in Computer Hardware & Networking).

  Need to apply online on www.somaiya.edu

  Admission on 'First come first service basis'

Success Story

Name of candidate: Jayesh Mane

Name of the Course Admitted: Electrician – Affiliated to NCVT

Academic Year: 1998 – 2000

Jayesh's story is one which will reinstall our faith in the courage and determination of today's youth**.** Coming from a middle class background Jayesh N Mane passed the S.S.C. examination with 50% marks. While still in school, his family told him stories about ITI students learning different vocational skills and trades who are successful today.

With similar dreams and to bolster his employment skills, he enrolled himself in the 2 years Electrician course at our institute and also passed the NCVT examination in October 2001 During his course not only did he get in-depth practical knowledge but was also able to get an electrician's job soon after completion. Jayesh worked in the maintenance department of Steelage India till 2004 when he joined Hindustan Time as a Senior Executive taking care of electrical breakdowns and transformers for 2 and half years with a monthly salary of Rs 21,000/-.

Armed with his hardwork and the technical skills as well as soft/life skills learnt while studying and at work, he was picked up by Sodarco Facility Man as an Assistant Manager at a salary of Rs 100,000 per month.

Presently working at Virtela India Pvt Ltd as Manager - Admin & Facilities Jayesh is economically independent and supporting his family with an annual salary of **Rs 15 lakhs.**

Jayesh Mane is a proud alumnus of K J Somaiya Private Industrial Training Institute and visits us regularly .

Success Story

Name of candidates: Nilesh Tupe

Name of Trade Admitted: Audio Video Servicing – Autonomous Course

Academic Year - 1990 - 91

Nilesh came from a middle class family from Mumbai. He passed his Secondary School Examination (SSC) from Dr. Shirodkar High School, Parel, he scored a mere 48% marks. Inspite of his low marks, Nilesh was determined to build a successful career and do well in life. That is when he came across an advertisement of our institute in a local newspaper and learnt about the different opportunities which would open up for him. He immediately sort admission in our institute with a view to learn something new as well as to build a secure future.

Nilesh was trained at our institute for 12 months and with the help of our dedicated faculty he completed the autonomous course in Audio Video Servicing with flying colours. Through the campus placement cell he was placed at HCL as a technician at a modest salary, he worked hard at HCL and soon he joined Gebbs India Ltd as a hardware technician. He was also interested in computer hardware, an interest he had developed while still at the institute.

With a dream of becoming an entrepreneur in the field of computers, he started his own computer service centre at Lamington Road. Today he is the proud proprietor of a computer hard disk repairing centre at Parel with more than 12 staff members working for him. His biggest achievement is bagging the service contract of Harman Kardon – JBL, world's leading headphones and multimedia speakers company.

Nilesh is economically independent with an annual income of **Rs 8,00,000/-** and is a role model for a number of our current students. We are all very proud of Nilesh Tupe and wish him more success in the future.
